<b>BACKGROUND:</b> Information Services has surplus equipment that is either obsolete or defective beyond repair, and is of no value to the County. In order to better manage our active inventory assets, and to make available much needed storage space, we would like approval from the Board to dispose of the items on the attached list. All harddrives have been removed from anycomputers and will either be re-purposed or destroyed. All items will be taken to Goodwill-Pasco as they are an official Washington State Dept of Ecology "eCycle" location. The average age of the equipment is approx 9 years old.
