AGREEMENT FOR USE OF JAIL FACILITIES

THIS AGREEMENT is made and entered into by and between FRANKLIN COUNTY, a political subdivision of the State of Washington (hereinafter "County") and the City of CONNELL, WASHINGTON a municipal corporation (hereinafter "City").

For and in consideration of the conditions, covenants, and agreements contained herein the parties agree as follows:

1. PURPOSE

The City, desiring to utilize Franklin County Jail (hereinafter "jail") facilities and services, for the incarceration of City prisoners, in accordance with the Interlocal Cooperation Act (Chapter 39.34 RCW) and the City and County Jails Act (Chapter 70.48 RCW), hereby enters into an agreement with County for use of the jail facility and services for confinement of City prisoners. It is the purpose of this agreement to provide for the joint use by the parties of the jail facilities and services at the jail located at the Franklin County Justice Center.

2. DEFINITIONS

- (a) "Franklin County Custody Budget" shall mean all expenditure items in such budget.
- (b) "City Prisoner" shall mean a person who is booked into the jail pursuant to an arrest by a City police officer for the commission of a misdemeanor or gross misdemeanor, which could be booked as a violation of a City ordinance. Includes, City prisoners for whom charges are initiated by a City law enforcement officer in Franklin County Superior or District Courts pending trial and sentencing. For the term of this agreement, should the City choose to repeal any or all of its ordinance provisions which give rise to potential City jail time, such action will have no bearing on the computation of City prisoner days as defined below.
- (c) "City Prisoner Day" shall mean any portion of a consecutive 24-hour period that a City Prisoner is in the custody at the County jail and shall include when a City Prisoner is only booked and released, as calculated using Intergraph Jail Management System (ILEADS) or Tyler System methodology for counting jail days. After booking, the total elapsed time for each visit shall be calculated in minutes. At the time of release, the number of minutes will be divided by 1440 (the number of minutes in a day), and the resulting number will be rounded up. For example, if a City prisoner's stay is from 8:00 AM on January 1, 2021 to 1:00 PM on January 3, 2021, the total elapsed time would be 3,180

AGREEMENT FOR USE OF JAIL FACILITIES

minutes. This is two days and five hours, and the number of City Prisoner Days would be three.

3. AVAILABILITY AT JAIL FACILITIES

The jail facilities and services shall be available for confinement of City Prisoners held upon arrest, awaiting trial or case disposition, and/or serving sentences of jail terms on a space available basis; provided, confinement of City prisoners will be given priority over confinement of Prisoners for jurisdictions from outside of Franklin County.

4. COMPENSATION FROM CITY

The City shall pay the County as compensation for its provision of jail facilities and services as specified herein.

- (a) For the 2021 calendar year, the fee for the City Prisoner Day will be seventy-six dollars and ninety-three cents (\$76.93) per day. The City shall pay to the County seventy-six dollars and ninety-three cents per City Prisoner Day.
- (b) For the 2022 calendar year, the fee for the City Prisoner Day will be eighty dollars and seventy-eight cents (\$80.78) per day. The City shall pay to the County eighty dollars and seventy-eight cents per City Prisoner Day.
- (c) For the 2023 calendar year, the fee for the City Prisoner Day will be eighty-five dollars and seventeen cents (\$85.17) per day. The City shall pay to the County eighty-five dollars and seventeen cents per City Prisoner Day.
- (d) For all Bookings, there will also be an initial forty-five dollars (\$45.00) booking fee to cover the intake processing costs.

5. PAYMENT

The County shall bill the City by submitting a monthly voucher to the City on or before the 15th of each month, for the number of City Prisoner Days in the preceding month. The City shall pay the County the compensation set forth in Section 4 hereof within thirty days from receipt of such voucher. Account balances overdue thirty days or more will be subject to a service charge of 1% (one percent) per month (12% (twelve percent) per annum). Should it become necessary, all collection costs shall be paid by the City.

AGREEMENT FOR USE OF JAIL FACILITIES

6. MEDICAL COSTS AND TREATMENT.

- (a) The County shall have the right to refuse to accept a City prisoner who, at the time of delivery to the jail for confinement, is in need of medical attention, until the City has made arrangements satisfactory to the County, for such medical attention.
- (b) The County will provide medical services for all City Prisoners within the jail in accordance with the policies and procedures adopted by the County.
- (c) In the event a prisoner requires medication, medical care, or dental treatment that is not available in the health care program within the jail provided by the County, the City shall be responsible as follows:
 - i. With respect to City Prisoners, the City if not billed directly for medical costs, shall reimburse the County for the cost of all medication, medical care, or dental treatment to the extent such costs are not paid by the prisoner, insurance, public assistance, or other sources, and for the cost of transportation to and from any health care facility that is outside the local area (Tri-Cities).
 - ii. With respect to those prisoners who are not City Prisoners, as defined in Section 2, but who are confined on the basis of charges initiated by the City police officers. The City shall reimburse the County for the cost of all such medication, medical care, dental treatment, and transportation to and from any health care facility outside of the local area (Tri-Cities) that are incurred prior to the disposition of the charges by sentencing, or otherwise, to the extent that the cost is not paid by the prisoner, insurance, public assistance, or other sources.
- (d) The County agrees to use reasonable efforts to obtain reimbursement from the prisoner, insurance, public assistance, or other sources, for such costs of medication, and medical care, or dental treatment. The County shall, except in cases of emergency which prevent the County from providing advanced notification, notify the Chief of Police or designee whenever a City Prisoner requires such medication, medical care, or dental treatment, the cost of which is the responsibility of the City pursuant to this Agreement. The City agrees to provide to the County, when notified, written verification of any furlough/Personal Recognizance Court Order to release for the care or treatment for a City Prisoner.
- (e) The County shall, subject to the City's notification required by subsection (d) hereof, have the authority to make arrangements for

AGREEMENT FOR USE OF JAIL FACILITIES

medication, medical care, or dental treatment not available in the health care program within the jail.

(f) The County shall be responsible for all medical expenses resulting from accidental injuries incurred during the course of a City Prisoner's incarceration; provided, this subsection shall not relieve the City of its obligations to reimburse the County for medical expenses incurred in connection with any medical condition that does not arise due to an accidental injury to a City Prisoner occurring during incarceration.

(g) The County is not responsible for any medical costs incurred resulting from a new charge while in custody, (e.g. fighting, refusing a deputy's directive resulting in a use of force, and refusing lower levels of medical care which then becomes emergent care).

7. TRANSPORTATION OF PRISONERS

The City shall be responsible for all transportation cost associated with City Prisoners outside the local area (Tri-Cities), or the cost thereof if transportation is provided by the County at the applicable mileage reimbursement rate for private vehicle use set by the U.S. General Services Administration. The County reserves the right not to provide out of the local area transportation of City Prisoners.

8. TRANSFER OF CUSTODY

The City or any law enforcement on behalf thereof delivering persons to the jail for confinement shall provide the County deputy of the jail with an arrest warrant, citation, court order, other documentation, or a completed detention request form satisfactory to the County deputy which indicates the legal basis for confinement of the person and, in the absence of such documentation, the County deputy may refuse to accept the person for confinement.

The County may also refuse to accept any City Prisoner for confinement if, in its sole discretion, it would be inappropriate to accept such person for security, safety reasons, or any other reason which causes the Sheriff or his designee to conclude that it would be inappropriate for a particular person to be held in custody in the jail, including but not limited to family, social, or employment relationships between the person arrested and one or more members of the correctional staff.

(a) City Police Officers delivering persons to the jail for confinement shall remain in the immediate presence of such person, and shall be responsible for such person in their sole custody until the County

AGREEMENT FOR USE OF JAIL FACILITIES

deputy(s) has accepted documentation for such person's confinement and physical custody of that person and has indicated that the City Police officer may leave. At such time, and only at such time, will the County have assumed custody of and responsibility for the person to be confined.

- (b) City Prisoners shall be subject to all applicable rules, regulations, and standards governing the operation and security of the jail. All City officers delivering prisoners to the County jail shall comply with those rules, regulations, and standards.

9. ACCESS TO PRISONERS

Prisoners participating in a home monitoring program, or any other program agreed in writing by the parties to be subject to this paragraph 11(a), shall not be included in the calculation of "City Prisoner Days" under paragraph 2(c) of this Agreement. The cost of providing home monitoring or any other agreed special program subject to this paragraph 11(a) shall be determined by the actual usage of the special service by City Prisoners. The County shall use all best efforts to collect the cost of such special program from the City Prisoner, provided, in the event that a City Prisoner is determined by the Franklin County Department of Corrections to be unable to pay the entire cost of such special program, the City shall be responsible for the actual cost of providing such special program not paid by the City Prisoner.
