<b>SUBJECT:</b> Precinct Boundary Adjustments per RCW for election administration	
<b>FISCAL IMPACT:</b> None	
<b>BACKGROUND:</b> According to RCW 29A.16.040 the county legislative authority must adopt precinct boundary changes. The maximum number of active registered voters must not exceed 1500. There are currently two precincts (Precincts 2 and 32) that have exceeded that threshold.  A new precinct (Precinct 106) was created to split out the upper left portion of current precinct 2 into its own precinct. A new precinct (Precinct 107) was created to split out the bottom portion of current precinct 32 into its own precinct.  According to RCW 29A.16.050 Every voting precinct must be wholly within a single congressional district, a single legislative district, a single district of a county legislative authority, and, if applicable, a single city.  No current County Commissioner district boundaries are affected by the modified precinct boundaries proposed.	
<b>RECOMMENDATION:</b> Recommend Commissioners move to approve and sign attached resolution adjusting precinct boundary lines to be compliant with RCW.
